The **Akashic Records** are the record of everything that has ever happened as well as the possibilities for the future. We all have our own record. In the Bible, these records are called 'The Book of Life' and they are referred to in many ancient teachings. Edgar Cayce, Nostradamus and others throughout time have accessed these Records.

Accessing your records can provide insights and guidance to assist you in resolving current challenges and gaining clarity for your personal and spiritual growth. Your past lives and ancestral history can be explored while seeking answers to your questions.

Grace is available for **private sessions to:**

- **Give intuitive messages**
- **Explore your Akashic Records**
- **Channel messages from Spirit**
- **Provide Spiritual Coaching.**

Grace **teaches** and **runs channeling groups** for beginners, as well as advanced groups for those wanting to explore and improve their channeling skills.
